Our History

B2B Growth Expo, a testament to innovation and collaboration, embarked on its journey as a local business community in 2017, aiming to unite enterprises within the Isle of Man. From these humble beginnings, our mission evolved to foster global business-to-business interactions, serving as a catalyst for international growth and exploration. Our aspiration is to create a global platform where businesses transcend borders, cultures, and horizons. Guided by an unwavering vision, B2B Growth Expo has successfully orchestrated more than fifteen impactful events, leaving a trail of connections and collaborations in its wake.

Our inaugural event in 2017, held on the picturesque Isle of Man, set the stage for what was to become a remarkable journey. Rooted in the belief that every local business possesses the potential to thrive on a global stage, B2B Growth Expo swiftly became a beacon of opportunity, supporting enterprises in realising their expansion dreams.

Under the esteemed leadership of Santosh, our visionary Global CEO, B2B Growth Expo has flourished into a brand synonymous with growth, connectivity, and progress. Santosh's fervent vision propels us forward, driving us to broaden our horizons, expand our reach, and spark global business alliances. Currently making its mark in locales including the Isle of Man, Isle of Wight, Southampton, Bournemouth, Portsmouth, Milton Keynes, Birmingham, London and Cardiff. B2B Growth Expo is poised for an audacious feat.

With an ambitious plan to introduce 6 new locations in every year, we are set to transcend boundaries and connect businesses on an unprecedented scale. As we continue to evolve, our commitment is to provide a platform where innovation thrives, connections flourish, and businesses ascend to unparalleled heights. B2B Growth Expo, a brand of B2B Growth Hub, is not just an event—it's a transformative force propelling businesses towards international success.
